Heartbeat Hero

All human beings have value. That fact doesn't change based on their age, health, or level of ability. The **Human Life Protection Amendment** embeds this truth in our state constitution. We need 891,589 validated petitions to make this possible!

Each Petition Partner Packet has **20** copies of our petition. We're asking all signed petitions be returned within **30** days of the date you received the packet. The final deadline for validated petitions is 2/1/2022.
